

RCR Policy Handbook

MEMBERSHIP:

Membership categories will include:

Individual membership:

Includes newsletter, voting privileges, reduced prices at club events, and encourages active participation in club activities.

Family membership: (household at same address)

Includes newsletter, voting privileges for two adults, reduced prices at club events, and encourages active participation in club activities.

New members, including those who have allowed their membership to lapse for a year or more, shall not have the privilege to vote until 60 days after payment of club dues; and shall attend at least one club meeting or participate in one club event or activity after payment of dues before being privileged to vote.

A youth at age 18 must become a member of the club on his/her own rather than continue on a family membership. A youth at age 16 may, with parental permission and with the consent of an adult member who will serve as sponsor, become a member, because that is the age requirement for adult shooting.

Lancaster County Muzzleloading Rifle Association (aka: Rock Creek Renegades) is a non-profit corporation. The club owns 17 acres and leases additional adjacent property. All taxes, costs and fees associated with ownership, improvements and maintenance of these properties are the responsibility of the members of the club. The two annual gun shows are the only sources of revenue. Decisions regarding the operation of the club are made by members who attend meetings and exercise their right to vote.

For these important reasons, all RCR members are encouraged to participate in and be an active part of the Rock Creek Renegades. Attendance at meetings, participation in work programs, shoots, trade shows and various other events of the organization are greatly appreciated. Without involvement of its members, the club cannot succeed.
